## SHIPPING

Our standard turnaround time has your case back in your office within 3 calendar weeks (excluding holidays) after you sent us the case. Prior to scheduling your patient, please keep in mind that occasionally, the size and/or complexity of a case may compromise our standard turnaround time. If so, we will call you within 48 hours of our receipt of the case.

We provide the tools necessary to fulfill your shipping needs directly from our website. You can:

**Print UPS Shipping Labels** with all the shipping info pre-populated.

**Schedule Your Patient** based on when your case will arrive at your office.

**Track Your Package** to know where your package is and when it should arrive at your office.

## RUSH PROCEDURES

When special circumstances arise and you need a quicker turnaround time, we offer an expedited services option.
